

JEW^S F[★]R JESUS™

UPdate Spring 2011

Shalom Haverim in Y'shua (Friends in Jesus)

August and September have been busy months for us as we prepared for the High Holiday Festivals in October as well as participating in ministry opportunities before this season.

Rosh Hashanah and Yom Kippur have just been observed - powerful reminders of God's call to repentance and his redemption through the **Lamb of God who takes away the sin of the world.**

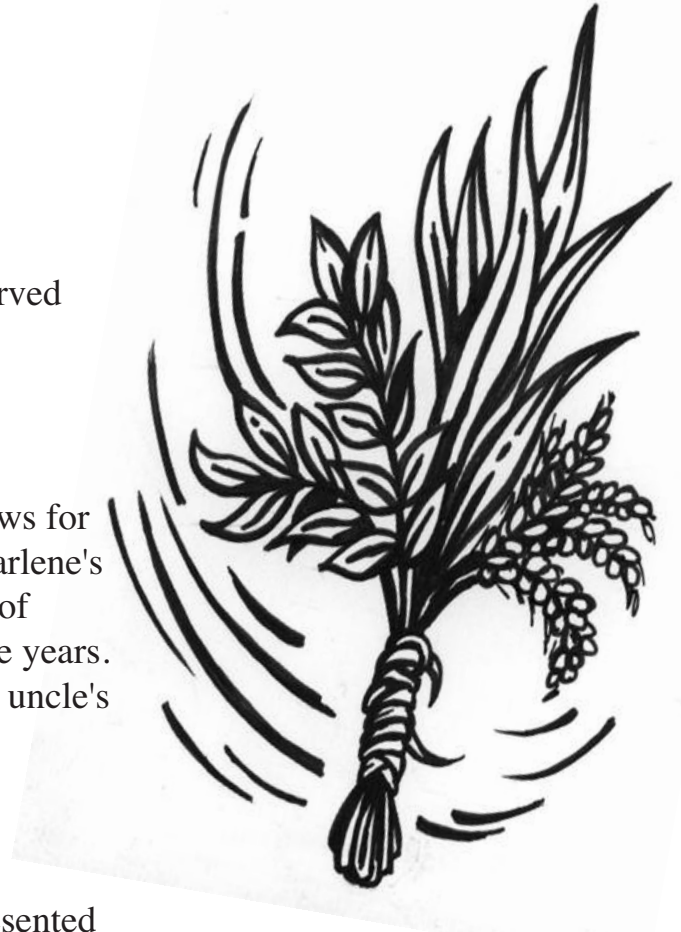

It has been a time of joy as well as sadness for our Jews for Jesus staff. We rejoice over the birth of Marc and Charlene's new baby - Yonatan David and we grieve the passing of my Uncle "Sol" whom we have ministered to over the years. I am thankful for the Barrow family who came to my uncle's bedside to pray with him and his wife shortly before his death.

We were blessed to be able to exhibit a stall at the "Mission Exposure" Festival in Pretoria and we represented our work at the Christian Business Expo held in Sandton City as well.

September also allowed us to touch base with others in the Body of Christ as we shared in Natal and Mphumalanga on "Christ in the Feast of Tabernacles." This presentation highlights how Jesus calls us to find our rest and life in Him as we allow Him to refresh us with His Living Water and Light of Life!

Teresa and myself were also able to complete our assignments for our studies that we undertook mid-year in the USA towards our Masters degree in Theology.

Marc was recently able to partner with Christian students at the University of the Witwatersrand in sharing the gospel there. He helped to train them in evangelism and then took

them out on a sortie to distribute gospel tracts to students.

In October, we hosted a well-known South African Actor, Eckard Rabe (from “Egoli” fame), in “The Rabbi” - a play looking at the last few hours of the apostle Pauls’ life. We had a full house in attendance with many hearts touched by this powerful play.

We will tell you more in our next full newsletter in November.

Thank you for your friendship and may God richly bless you!

In Messiah Y'shua

Michael.
