## Living Water Outreach, Cape Town December 2007- January 2008

Dear Friends in Jesus,

The end of the year seems to be rushing toward us once again! While our fellow missionaries in the Northern hemisphere are getting out their winter woolies, we will be getting out the sun creme and bottles of water as we prepare for our December and January outreach in Cape Town this year. We are busy at the moment preparing the logistics of this outreach which we have given the theme "Living Water"; this name reminds us of our mission and calling as we bring the gospel to our people.

In John's seventh chapter we see Jesus at the Feast of Tabernacles in Jerusalem in the temple. He makes a dramatic proclamation about who He is on the last and greatest day of the feast. At His words, some were wondering whether He was the Prophet like Moses who was to come. Others were wondering whether He may be the Messiah, the Promised One of Israel. Jesus words were very important; while the people were calling out for God to send rain, Jesus proclaimed Himself to be the provider of the water that would fill our souls. This particular Feast of Tabernacles was probably the last one that Jesus would attend in Jerusalem – the following year at Passover He would be betrayed, and would die for the sin of the world.

As Jesus approaches the last few months of His earthly ministry, He reveals who He is. This is very different than His early ministry

when He told people not to proclaim His identity publicly. As opposition to Jesus mounts, His announcements about himself become more and more revealing, important and dramatic. Jesus commissioned His followers to go and tell who He is starting in Jerusalem, Judea, Samaria and unto the ends of the earth. As believers in Him, that is the commission and instruction we have from Him. That is our assignment we have from our Lord: to proclaim Him to the nations and our Jewish people until He returns.

With that in mind we have our theme for our Cape Town Outreach this December and January, as we take the Living Water to people that need to know that He is the Messiah. May many be refreshed by Him this December and January holiday!

We are in the process of raising up a new team for this outreach. We would like to ask you to please join your hands with ours this summer as we reach out in Cape Town with the Living Water of Messiah Jesus. We ask you to please support us with your prayers and with your financial gifts to help us cover the costs for our campaigners and for the needs of this outreach. Please use the response slip below. Thank you for standing with us.

In Him,

*Michael*
