

PLEASE PRAY FOR OUR 2011 NEW YORK CITY SUMMER WITNESSING CAMPAIGN!

TRAINING:

FROM JUNE 12 TO 25. PLEASE PRAY:

- for our trainers, Andrew Barron (pictured top right) and Jeremiah Zaretsky, that they clearly and powerfully communicate all the material, both academic and practical.
- for the campaigners, that they come with eager hearts and minds ready to learn and prepare for the intense month of evangelism before them.
- for effective role-playing opportunities that allow trainees to grapple with many of the questions, objections and various attitudes they'll encounter on campaign.
- for great opportunities for practical training on the streets of Chicago through literature distribution and personal interactions with seekers.
- for each campaigner to become comfortable with using the proposal statement (offering the plan of salvation) during their sorties (tract-passing expeditions).
- for many contacts and even decisions for the Lord during this time, that the campaigners reach many people that the Chicago branch of Jews for Jesus can continue ministering to.
- for God to bless Moody Bible Institute for opening her doors to us and for granting undergraduate credit for this training.
- for all to pass their exams and successfully complete the two-week training in preparation for going to New York City.
- that the two weeks at Moody produces a well-trained, well-motivated, God-empowered team of campaigners ready to make the Messiahship of Jesus an unavoidable issue to the Jewish people they will encounter in New York!

WEEK ONE: JEREMIAH ZARETSKY FROM JUNE 27 TO JULY 2. PLEASE PRAY:

- for everyone to arrive safely and adjust to the fast pace of New York.
- that we would make an immediate impact on the city and that the Jewish community would feel our presence.
- for campaigners to have courage and compassion in the face of rejection and opposition.
- for the media to pick up on what we are doing and amplify our message.
- for our stewards, those men and women who are working hard behind the scenes to make sure that we go out on the streets well-fed and equipped for evangelism. Pray that they would be united and find their rhythm during this first week.
- for God's blessing for those who are away from spouses and children at this time, as well as His blessing for the families of campaigners.
- that campaigners will finish the week feeling we made a strong start and had meaningful gospel interactions . . . and that we are prepared to enter the second week of this four-week long marathon with great enthusiasm.

WEEK TWO: ELLI MARKS
FROM JULY 4 TO 9. PLEASE PRAY:

- for wisdom for me as I lead and learn at the same time.
- for a great outpouring of the Holy Spirit on those we want to reach; that He will open people's hearts to receive the gospel.
- for the filling of the Holy Spirit for all our campaigners; that we draw close to God throughout the campaign.
- that many Jewish people who saw us the first week would see us again and stop to find out more about their Messiah.
- for strength and health for all our campaigners as they put in long hours, get less sleep than usual and are exposed to more germs than usual (especially in the subways).
- that we may be strengthened by the joy of seeing fruit from our efforts.
- for great fellowship between all those connected with the campaign, and that we will build each other up in faith.

WEEK THREE: DAN TASMAN
FROM JULY 11 TO 16. PLEASE PRAY:

- for me to have the necessary wisdom for the decisions I will be making, and that I grow in my ability to manage the many people who will be participating on the Summer Witnessing Campaign.
- that our plans roll out smoothly and that we have flexibility to make necessary changes for anything that does not go as planned, especially as we try new ways to engage the city.
- that people will relate to our message/literature and be drawn to interact with us.
- that we deeply engage the ultra-Orthodox Jewish people of New York.
- that opposition be redeemed: that people who witness it will see the difference Y'shua makes, and be drawn to Him.
- that staff and volunteers who have not yet finished raising funds for this campaign will find a generous influx of donations from their friends and supporters before the end of the summer.
- for our spirits to be lifted, as the third week is the time everyone starts hitting the proverbial "wall" (of physical and spiritual weariness).

WEEK FOUR: OFER LEVY
FROM JULY 18 TO 23. PLEASE PRAY:

- for rejuvenation, as we will need extra strength to finish strong.
- that through our times of worship, God will grant us all unity, high morale, enthusiasm, and a spirit of servanthood.
- for open doors and divine appointments with unbelievers wherever we may be.
- for us to connect with Hebrew speakers and Israelis that may be visiting New York City.
- for opportunities to engage those who oppose us in ways that give glory to our God.
- for the sure salvation of Israel according to the Scriptures.
- for clarity of vision as the end of the outreach approaches; that campaigners return to their homes with long-term strength and determination to continue their bold witness in daily interactions wherever they may be.
